

FootWear Sanitizer

APZEM®
PROMISING ECOSOLUTION

FOOTWEAR SANITIZER

Footwear Sanitizer - Apzem's shoe sanitizer kills up to 99% of exposed microorganisms, such as all dangerous pathogens, on the soles of footwear (including booties/shoe covers) in 5 -10 seconds. It is a perfect solution to help control contamination levels of shoe-borne pathogens. It implements scientifically proven technology that eliminates contamination and infectious organisms with no workflow interruption, additional staff or monetary cost to operate.
